

Coopers Hill Lawn Tennis Club: Return to Group Coaching Protocols

Following guidance from the Government, these are the measures we are putting in place for our planned return to group coaching at the Club. Hopefully by setting out here the protocols we have put in place, we can ensure the most effective and safe return to Coaching for our Juniors. We cannot emphasise enough the importance of following these measures and very much look forward to your cooperation.

-The Coaching Team will be doing everything possible to maintain social distancing during our sessions. We will be using spots in our sessions for the children to stand on during drills. While the children will be asked not to touch these, they will also be regularly disinfected.

-Tennis Balls will only be collected by the Coach. We would appreciate you reinforcing this message to your child prior to any lesson.

-There is to be no sharing of rackets.

-The Clubhouse will remain closed and is strictly off limits.

-Children should arrive for their lesson down the main path past the Football Clubhouse. Only one parent should drop off or collect the children. Children should wait on the grass strictly at least two metres apart. Children will be called to the court by their coach and should not enter the path between the courts without being instructed. Children are to exit their lesson via the opposite gate by Hollycombe. It is vital that parents arrive punctually to collect their children at the end of the lesson. Club Officials will be on hand to help administer this process as our new arrangements get underway.

-Payment should be made into the box that will be positioned by the court gate on the court where the lesson will take place. Due to the circumstances, no change can be given. Please can we request that payment is made at the start of the lesson to ensure that lesson transitions are as smooth as possible.

-We politely request that parents refrain from picking up any Tennis balls, spots or any other equipment that is either on or off the Tennis Courts.

-In line with current Government advice, if children are showing any of the symptoms associated with Covid-19 then they must not attend coaching sessions or indeed play at the Club under any circumstances.

-Should the sessions need to be cancelled for any reason, a member of the Coaching Team will be in touch.

Thank you for your cooperation with this matter and we look forward to seeing you on court soon.

Kind Regards

The Coaching Team
